

**Invest in your community and receive 50%+
back as a tax credit? Yes, you can!**

You invest \$1,000 (or more) in WATCH CDC. **WATCH uses the full \$1,000** to advance English language proficiency, affordable housing, tenant support, and leadership development among Waltham's low-income residents and immigrants.

You receive a \$500 Massachusetts tax refund. And you may be able to deduct some part of your investment on your federal taxes as well.

**That's a win—win—win
for you, for WATCH, and for the Waltham community!**

WATCH was awarded \$300,000 in state tax credits to give to donors in 2023.
